

Hey there!

I'm Amber, a recent Texas State University graduate with a BFA in Communication Design.

Currently, I am interning at GSD&M in Austin, Texas. Through this internship I have had the pleasure to build relationships and find mentors who have helped me grow as a designer.

EDUCATION

BFA COMMUNICATION DESIGN | MAY 2017
Texas State University - San Marcos

RECENT EXPERIANCE

STUDIO & DESIGN INTERN | SEPT 2017- CURRENT
GSD&M | Austin, Texas

Primarily assist mentors with client work by taking on projects and tasks. Given Art Room responsibilities such as inventory, printing and mounting presentations, and supply management.

STUDENT WORKER | JAN. 2015 - MAY 2017
Art & Design Resource Center | Texas State University

Responsible of maintaining lab and providing equipment to the Art students. Basic knowledge of Mac systems is required as to provide assistance as well as update the computers at the end of each semester.

CREATEATHON STUDENT VOLUNTEER | OCT 2016
Alchemy Studios | Austin, Texas

A handful of upper-level ComDes students from Texas State were selected to participate in a 24-hour event designing materials for a non-profit organization. Five groups of students were paired with an organization and were provided with a list of deliverables a week in advance to the event.

RESUME

**Here's a sample
of the kind of
things I create.**

**Take a look
around.**

Friends of AAC

I was fortunate enough to get to participate in the 2016 CreateAThon hosted by Alchemy Studios and this is what my team and I worked on.

The Mighty

TheMighty.com is a resource for people living with disability and disease written by the people with the conditions to provide a fresh perspective.

PURE

With Aromatherapy on the rise, it's time to look at essential oils in a new light.

GSD&M Internship

I spent 10 weeks learning from the employees at GSD&M and bettering myself as a designer. Here are a few of the projects I am most proud to have worked on.
